ABANDONED CRAB TRAP REMOVAL

TPWD'S 10TH TEXAS ABANDONED CRAB TRAP REMOVAL PROGRAM | FEBRUARY 17-26

During the 10 day period, all Texas bays will be closed to crabbing with crab traps, and any left in the bay will be presumed to be abandoned and considered litter under state law, thus allowing volunteers to legally remove any found crab traps.

We need volunteers with boats to pull crab traps and individual volunteers to disassemble crab traps.
